PETITION UNDER 37 CFR 1.181 TO ENTER FIGURE

Box Missing Parts  
Commissioner for Patents  
Washington, D.C. 20231

RECEIVED

OFFICE OF PETITIONS

Dear Sir:

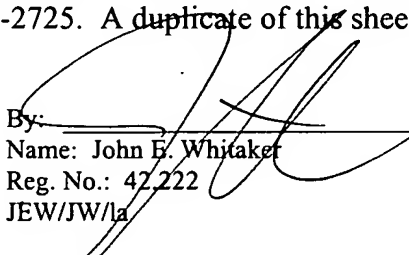

The Applicant respectfully petitions that the attached FIGURE 3 be entered into the prosecution of the above-identified patent application.

In accordance with MPEP Section 503, a return postcard was included in the original filing of the application. The return postcard properly identifies the inclusion of six figures with the filing of the original application. A Notice to File Missing Parts of NonProvisional Application, which is attached herewith, identifies that FIGURE 3 was omitted. However, the return postcard was returned without any notation of disagreement with the parts indicated on the postcard. Accordingly, Applicant submits that FIGURE 3 was properly filed with the application. Attached herewith is a copy of the patent application as originally filed. The return postcard is also included herewith as prima facie evidence of receipt of all six figures.

A check in the amount of \$130.00 is enclosed to cover the required Petition fee.

Please consider this a PETITION FOR EXTENSION OF TIME for a sufficient number of months to enter these papers or any future reply, if appropriate. Please charge any additional fees or credit overpayment to Deposit Account No. 13-2725. A duplicate of this sheet is enclosed.
